Golden Parking

What is Golden Parking?

Golden Parking is a City of Bunbury Community Initiative to provide free parking within the city to Bunbury's elderly residents. Permit holders can park their cars in designated bays once per day for up to four (4) hours for free and without the need for a parking ticket. Golden Parking permits are valid for 2 years.

Who can apply?

You must:

- Be over 65 years of age
- Be a permanent resident of Bunbury
- Have an Age Pension card as issued by the Australian Government Department of Human Services

How does it work?

Look for the Golden Parking signage and logos on the parking bays within City carparks.

You must be the driver or the passenger in your car when you are parking in a Golden Parking bay. Place your permit on the dashboard of your car and ensure it can be seen easily when looking from outside your vehicle.

You can park in designated Golden Parking bays at various locations within the City of Bunbury once per day for up to four (4) hours for free, and you do not need to get a ticket from the machine.

Please note - Golden Parking permit holders:

- Must not park outside of the designated bays (normal parking rules apply if you park outside of a Golden Parking bay – please ensure you read the relevant signs)
- Must not park in bus stops
- Must not park in No Stopping areas
- Must not park in a loading zone (these also have yellow lines)
- Must not park in ACROD bays without a valid ACROD parking permit

How to apply

Please complete the application form and return it to the City of Bunbury.
