WHY E-WASTE?

When e-waste is tossed into bins, it ends up in landfill - wasting critical rare earths, polluting soil, ground water and our air.

WHAT IS E-WASTE?

Anything with a plug, battery or cord

SNAP

a picture of your e-waste

TAKE

your e-waste to our drop off place

SHARE

your story with everyone

If you live in Greater Bunbury, you can take your e-waste to our drop off place **21 McCombe Road, Davenport** (free for City of Bunbury residents).
