The City of Bunbury may consider the removal of trees for the following reasons:

Tick	Reason for Request for Removal
	i) Dead
	ii) Dying from disease that cannot be successfully treated
	iii) Structurally weak or dangerous, placing public at unacceptable risk
	iv) Vehicle or pedestrian visibility is affected
	v) Interfering with essential services i.e. Western Power, Alinta Gas, Aqwest
	vi) Causing or likely to cause structural damage to property i.e. road surfaces, boundary walls, fences, buildings, footpaths, kerbing or draining.

In the case of reasons iii, iv, v and vi, removal will only be considered after alternatives have been identified and evaluated e.g. root barriers, redesign of structure, crown pruning, tree relocation.
